DNLDD/011 Review April 2008

Occupational Therapy for Adults with a Learning Disability

What is Occupational Therapy

Occupational Therapy can help you do all the things you do in your everyday life

Who does the Occupational Therapist see?

If you live in Shropshire

or in Telford & Wrekin

The Occupational Therapist

and your carers

or other people who work with you

How can the Occupational Therapist Help?

The Occupational Therapist may be able to

make it easier for you to do things at home

make it easier for you to do things at work

Help you to think of things you can do yourself, at home and out and about
